

Lakes Region Community Harvest Box Program

Leave what you can't use

Do you have a home garden or a local farm? If so, we need your help. You can donate your extra produce to the Harvest Box Program in the Lakes Region and help increase access to fruits and vegetables in your community!

Take what you can use

Everyone is invited to visit our Harvest Box locations to take and use FREE local produce. Visit often for variety throughout the growing season!

Use what you take

Along with local fruits and vegetables, you'll find recipes and storage tips to help you make the most out of your local produce experience.
