

Facilitation Challenges and Tips for Success

9:00am – 3:00pm

September 21, 2016

Foundation for Healthy Communities

Concord, NH

Cost: \$60*

*Registration fee covers lunch and materials. The fee may be reduced or waived for students and those with financial need.

This interactive, one-day workshop will provide participants with the opportunity to learn and apply facilitation tools and strategies to a variety of common group situations.

The causes of common facilitation challenges will be explored and participants will have the opportunity to work with other facilitators to develop successful tools for responding to challenging situations.

This training is for participants who have some experience with group facilitation or previous training, and want additional tools, strategies and practice to hone their skills.
